MEDIA RELEASE

20% Reduction in Infrastructure Charges

10 July 2014

Goldenfields Water General Manager Andrew Grant has announced that Developer Charges for the retail councils of Bland, Coolamon, Junee, Temora and some rural areas of Narrandera will be reduced by approximately 20% from 1 July 2014.

This reflects the decreased costs in infrastructure replacement due to changes in heavy machinery, work practices and efforts of Goldenfields staff over the last year.

The GWCC Board looks forward to future regional growth and prosperity generated by these reductions.
